

Request – received 18th October 2012

I shall be obliged if pursuant to my entitlement under the Freedom of Information Act and of course as a Tax payer in the Parish, you would provide me with details of all the signs erected throughout the Parish for which arrangements the Parish Council has been responsible and the individual cost thereof.

I would also like to know who was employed to erect these signs.

Thank you in anticipation of your rapid reply.

Response – 19th October 2012
