- Fly tipping around Wrockwardine.
- Local Plan – recent Telford & Wrekin meetings postponed.

- Providing grant funding for additional speed checks in Wrockwardine.

24/156 Planning

1. Permissions & Refusals

Council noted the following:

TWC/2022/0529	Cul-de-sac adjacent 37 Brandon Ave, Admaston	Creation of a new vehicular access & installation of field gate *Amended Plans Received* *Amended Description*	Full Granted
TWC/2024/0575	14 Beddows Close, Wellington	Erection of a gazebo & decking (Retrospective)	Full Granted
TWC/2024/0518	Land North of Bluebell Grange, Allscott	Change of use from private open space to garden land & siting of 2no. shipping containers	Full Granted

2. New Applications

The following applications were considered:

TWC/2024/0679	8 Donnerville Dr, Admaston	Reinstatement of internal stud wall & insertion of 2no. doors (Listed Building Consent)	No Comment
TWC/2024/0680	9 Bratton Road, Bratton	Erection of 1 st flr side extension over existing garage, conversion of garage into habitable space & changes to fenestration	No Comment

TWC/2024/0682 Land adjacent Homecroft, Cheshire Coppice Lane, Bratton – Outline application for the erection of 1no. self-build dwelling & access with all other matters reserved

Following a discussion, it was **RESOLVED** to submit an objection to the application and for the Chairman and Clerk to draft the response.

[Proposer: Cllr Eade; Seconder: Cllr Thomas; Vote: All]

Submission made 10/10/24 as follows:

The Parish Council objects to yet another housing development in an area that is currently seeing a significant increase in residential developments. This will put yet more pressure on an already over stretched infrastructure. The proposal is not within the planned development boundaries of Telford & Wrekin's Local Plan and could therefore set a precedent for even more development, which is of much concern to residents. Whilst this new proposal includes a traffic bay, this seems inadequate for the unadopted lane which is extremely narrow, full of blind bends and is of a very uneven surface full of potholes. Resident's report that despite the current condition of the lane, speeding is also an issue and any additional vehicles will add to the problem. In addition, there would be numerous access and egress issues as well as major issues that might occur during the construction phase. There are already drainage and flooding issues in the locality and the loss of soft field space could exacerbate this problem further. It is also agricultural land and this proposal gives no direct benefit to the land or to the rural community it sits within. The building itself would directly face the windows of adjacent properties living space and is therefore invasive and would greatly affect their amenity.

TWC/2024/0710 Site of Carn Brea, 34/former St Christophers Hall, Station Road, Admaston –
Erection of 2 no. bungalows, 1no. single garage & associated access following demolition of existing building

Following a discussion it was **RESOLVED** to submit an objection to the application and for the Chairman to draft the response.

[Proposer: Cllr Bevis; Seconder: Cllr Savage; Vote: All]

Submission made 16/10/24 as follows:

The Parish Council objects to the application on the grounds that the area has been subject to significant residential development over the last 2-3 years with Admaston seeing a massive increase in traffic passing through it and incidents of speeding also increasing. Further major residential development is still ongoing and is likely to continue for the next 2 year which will add significantly to the number of vehicles passing through. This application for 2no. detached bungalows, each with 2no. bedrooms and a study which in future could be used as a third bedroom would increase the potential number of occupants and vehicles and add further to the increased traffic passing through. There would also be further pressure on the infrastructure, GP surgeries, hospital, dentist and schools.

Access & egress to and from the site is almost opposite a very busy junction with shops and houses on Sutton Road and the housing estates in the area and is directly opposite the large layby which is available for use by people visiting the shops. The parking in front of the shops is often full and the layby is used as overspill but is also often full. The development of the site could therefore prove problematical. There is also a pinch point at the rear of the proposed new double garage to 34 Station Road [included in the application]. Cars nor delivery vans would appear to be able to pass here and, this could problems for refuse collection. In addition the garage for Plot 2 is quoted as being a single garage but the dimensions shown indicate that it could accommodate 2 cars.

3. Applications received after the agenda was circulated

None

3 members of the public left at 8.03p.m

24/157 Finance

a) Final Accounts Paid & Bank Reconciliations for September 2024

The details were noted and **RESOLVED**.

[Proposer: Cllr Eade; Seconder: Cllr Parr; Vote: All]

b) Accounts to date for Payment October 2024

The accounts were **RESOLVED** for payment.

[Proposer: Cllr Parr; Seconder: Cllr Savage; Vote: All]

Website & Emails

Information

Earlier in the year the PC resolved to continue to use Hugo Fox as the website provider, upgrade for 12 months to get training for the Clerk and then continue with the Silver Package ongoing, to obtain a .gov.uk domain name and migrate to Microsoft 365 Business Package for emails etc.

Hugo Fox is now able to provide the .gov.uk domain and have provided the following information:

Firstly, we are thrilled to confirm that HugoFox is now Nominet [.gov.uk](https://www.gov.uk) certified, allowing us to provide [.gov.uk](https://www.gov.uk) domains and emails for Parish Councils. We are also pleased to confirm that these domains will be completely free through HugoFox, we will look after everything for you from purchase, setup and maintenance at no extra cost to your Parish.

Secondly, even better, we are now officially on the CDDO shortlist of .gov.uk-approved registrars for Parish Councils! This means you are eligible, through HugoFox, to receive a **£100 grant** from the Central Digital and Data Office (CDDO) to help pay for the first year of HugoFox [.gov.uk](https://www.gov.uk) emails. If you choose our 5-email package, it will only cost your parish £19.99 for the first year after the grant is applied. We'll be in touch in a couple of weeks with the relevant forms and information to help you claim this grant.

Thirdly, we're delighted to confirm that HugoFox will be providing [.gov.uk](https://www.gov.uk) emails with our domains for a small extra monthly fee. We have worked very hard to ensure that our email services are as affordable and price-competitive as possible, they will be available immediately after your [.gov.uk](https://www.gov.uk) domain is setup.

Each email account comes with:

- 10 GB of storage (roughly half a million plain text emails)
- Unlimited support from the HugoFox team
- Easy access via your internet browser or integration with Gmail, Outlook, Thunderbird, Yahoo and most other major email providers

Our email packages are priced as follows:

- **£9.99 + VAT** per month for **5** email accounts
- **£17.49 + VAT** per month for **10** email accounts
- **£24.99 + VAT** per month for **15** email accounts
- **£32.49 + VAT** per month for **20** email accounts
- **£39.99 + VAT** per month for **25** email accounts

We highly recommend that Parish Councils at least obtain a professional [.gov.uk](https://www.gov.uk) email address for their clerk - for both security and professionalism. Having a [.gov.uk](https://www.gov.uk) email enhances trust and credibility in your communications and ensures compliance with government guidelines.

The process takes about **3-6 weeks**, as this is the standard time Nominet and the CDDO take to process and authenticate the information.

The cost for 15 email addresses is circa £300 per year, with the grant this would be reduced to £200 for the first year. It is now highly recommended that all councillors have [.gov.uk](https://www.gov.uk) email addresses for Council business.

Ongoing Costs:

1st Year	Set up domain name	Free
	Gold Standard	360 + VAT
	15 .gov.uk emails	200 + VAT
	Total	560 + VAT
2nd Year	Silver Standard	240 + VAT
	15 .gov.uk emails	300 + VAT
	Total	540 + VAT

These costs fall within the costs agreed previously and, for ease & support purposes, using Hugo Fox seems the sensible approach.

Allcott Meads Notes 19/9/24

- Allotments – behind schedule, land transfer near completion, hopefully by the end of October. Indemnity to cover the drains running across the site. With the land being transferred to WPC, works to be undertaken by SJ Roberts under licence. This is how the land transfer document has been prepared. WPC have the protection as the works are covered by the Section 106 and is the responsibility of SJR.
- Toy Library & Parish notice boards proposed at Allcott Meads, location to be agreed.
- Crossing point by the Plough now complete.
- Visibility on Sugar Beet Ave is now satisfactory following removal of some planting.
- Neighbourhood Watch Scheme is in progress and some signs are up.
- Sports & Social Club landscaping due to be completed 23rd September 2024.
- SJR reported 100no. units have been sold this year.
- Cllr PB asked SJR if they would consider a prize for Wrockwardine Christmas Fete.
- Commercial units anchor tenant still to be determined.
- B4394 scheme to be confirmed.
- Parking/drop off to the school is causing problems.
- AOB – under community initiatives PC raised Walcot Bus Shelter. PC to send SJR details or discuss financial contribution.
- Date of next meeting Thursday 12th December 2024.
